Sarvoday Hindu Association

(Established 1975)

www.sarvoday.org.uk

Patron: Shree Jay Lakhani

The Sarvoday Hindu Association has been established since 1975. Our mission is to provide a platform for the local community to celebrate cultural and religious days of the rich Hindu Heritage. We are not caste based and thus able to harness the best cultural and aspirations of the wider Gujarati community.

Our key aims are :

- To organise high class events by enlisting the best music providers for all our events by enlisting artistes from India and the U.K.
- Our main emphasis is the celebration of Navratri, the 'festival of Nine Nights'. The participation of Hemantbhai Chauhan, Navrang, and the Rangeela orchestra in the recent years show how we endeavour to enlist the most popular at the time.
- To organise the celebrations of the major religious days of the Hindu calendar including Holi, Shivratri, Janmastmi, Ram Navami, Hanuman Jayanti, and Diwali.
- To organise social days including Boat Trips, Coach trips , Valentine Dinner and dance, Mehefil nights, Summer activities,
- We have just taken over a small hall on a short term basis and hope to have more regular activities in here, including sports and art related activities for members of all ages.
- Due to the very high charges of postage the committee will reduce the posting of regular circulars.

We rely totally on volunteers support, and hope you too will offer support and help to forward this cause. We invite you to join us if you share our aims. By becoming a member you will be informed of our future activities by post. You are also encouraged to watch this on our website for instant information

This years Membership & entry fee for all 10 days at Navratri is £12.00 per person. Students and children over 16 years with id card pay £8.00 only. Children under 16years do not pay any entrance fees or any membership fees.

Thank you for Joining the Sarvoday Hindu Association.
